By Anthony S. Gay

Inkwell Books. Paperback. Condition: New. 322 pages. Dimensions: 7.9in. x 5.2in. x 0.8in. People on the Horizon: Human Transformation and Rebirth is a VisionProject manuscript that is psychologically provocative, alternative-thinking and inspirational. It is a discourse from the author addressing oppression and the fundamental issues that stem from it. It concerns social development and human rights with a new perspective, new awareness and viable solutions. It delivers compelling insights, gives innovative approaches and provides new avenues for the resurrection of a People. One of the prominent features is imparting information and ideas for dismantling the psycho-behavioral conditioning which years of racism, imprisonment and impoverishment have caused in the victims. It also exposes the judicial machine and the impact of mass-incarceration, with particular emphasis on the functionality of genocide and menticide. People On The Horizon addresses the psychological, ontological and axiological dimensions connected with oppression and colonialism. There are proposals which harvests and cultivates viable techniques, concrete strategies, new avenues to solutions and social well-being, with new socio-political-economical programs for reversing the effects of colonialism. This book can also be read as a How To manual. It has a grasp on real-time, real life grassroots solutions for self-determination, liberated community-building, re-humanizing the...
