But Lucky, as the little girl called him, was nursed back to health and loved with all the love any child could offer. But sadly, Lexie s spoiled stepsister manages to get rid of the kitten, and he is left alone to die in the wilderness. But Lucky is rescued by a seriously ill lady who renames him Sweet Willie. The kitten again knows love and security. But that too ends with the death of his lady. This story is about one cat s plight at the hands of humans and how he overcomes obstacles so that he can once again love and trust people and find a happy and secure home.
