iUniverse, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Rhodes and the Holocaust is the story of La Juderia, the Jewish community that once lived and flourished on Rhodes Island, the largest of the twelve Dodecanese islands in the Mediterranean Sea near the coast of Turkey. While the focus of the accounts of the Holocaust has for the most part been on the Jewish populations of Eastern and Middle Europe, little seems to be known of the events that affected those communities in Greece and the surrounding Aegean Islands during that time. The population of this group was almost annihilated, reduced from a thriving community of over 80,000, to less than a 1,000 survivors, who were left to tell their stories. Among the victims of Rhodes Island were the grandmother and aunt of the author, who were killed by falling bombs, and his grandfather, who was taken to the Auschwitz concentration camp. This history tells of the deceit and inhuman treatment the entire Jewish community of Rhodes experienced during their deportation and eventual liberation by the Russian Army. The heart-wrenching story of the Rhodes Jewish community is told through the experiences of a thirteen-year-old boy, taken by the Nazis to Auschwitz along with his father and his eleven-year-old sister.; Most of all, Rhodes and the Holocaust makes known the story of that community s existence and struggle for survival.
