### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from From Ship s-Boy to Skipper: With Variations Five years ago I retired from active service after half a century of strenuous work, in constant action, on sea and land. The sport of Fortune in my earlier years, and with a nomadic strain in the blood, few can have experienced a greater variety of life and incident or endured greater hardships and changes. The transition from such a life to the easy leisure of retirement was not altogether plain sailing. It was here my good friend and late colleague, Mr. Spencer E. Colchester, of London, came to my aid with the suggestion that I should write my memoirs. Knowing somewhat of my eventful career, he wisely thought that in fighting my battles over again - on paper - I would gradually get into the stride of my new life. To me the suggested task seemed perhaps the hardest of a hard life. The hand that has grasped the capstan bar and the wheel, the stock-whip and the gold-digger's spade, the harpoon and the gun, may well falter when it takes up at last the mightiest instrument of all. But I was ever one who never turned his back, but marched straight forward, and so to the last task I set myself.
