Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Illinois, New Salem: New Salem Village; Excerpts From Newspapers and Other Sources Lincoln's opportunity to have a political career despite his defective education, his inability to settle into a successful vocation, and his penniless and debt-ridden economic status. The beginnings of Lincoln's career in the Illinois legislature seem to represent a triumph of personal popularity and of the American political system. That it was also a triumph of one political party over another rarely gains mention, much less careful consideration. Here inadequate documentation is not a problem. The opportunity to understand Lincoln's political career before the 1850s is probably greater than for any other of America's political giants. Illinois's voters showed their preference at the polls orally, and clerks carefully marked how each citizen voted. Therefore, we know in Lincoln's case precisely - by name - who voted for him and against him. Knowledge like this is unobtainable even for twentieth-century politicians or contemporary elections. We know for sure who voted for Lincoln, something we can never know in the cases of Theodore Roosevelt, Woodrow Wilson, Franklin Roosevelt, or even Ronald Reagan. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
