

Money, Method, and the Market Process: Essays by Ludwig von Mises

By Ludwig Von Mises

Ludwig von Mises Institute. Paperback. Condition: New. 352 pages. Dimensions: 8.9in. x 6.1in. x 1.1in. Edited by Richard M. Ebeling This volume might be called the Mises Reader, for it contains a wide sampling of his academic essays on money, trade, and economic systems. Some of them, like Observations on the Cooperative Movement, have not been published previously. Others, like The Idea of Liberty Is Western, have already made their mark on intellectual history. Brought together by Mrs. Mises after her husbands death, and edited with an introduction by Richard Ebeling, this volume fills an important gap in providing an overview of Ludwig von Mises's best academic work. For that reason, this book is already widely used in graduate courses and seminars on the resurgence of the Austrian School. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
