He could never imagine that his former best friend may be the only woman to bring happiness into his lonely life. Ellie Gardner knows loss; especially after she was banished from her best friend/crush's life by his jealous wife. Although the regret of walking away from the love of her life still stung, a chance encounter with Sean may change everything. When Ellie and Sean reconnect, they could never expect it'd be in such an explosive way, leaving them both to gain the fulfillment of their what if's. Finding love is hard enough without the past breathing down their necks, especially when said past has no intention of letting go. When Sean's ex, Pia Mastriani returns, Ellie must face her nemesis relentless tactics to get Sean back, including eliminating Ellie if necessary. Sean and Ellie's relationship is put to the test but will they fare well while they go rummaging through The Ex File?.
