Granny Panties is set in the picturesque hill country community of Fredericksburg, Texas and features Willie Stroh, a big-city girl stuck in a small-town world, or as Willie would say, A Rizzo in a world of Sandys. Willie is an ace at managing other people s lives, mainly that of her friends, mother, grandmother and always-in-trouble brother, but sucks at her own. Stuck in the family business due to the untimely death of her father, she dreams of something more, not unlike the plots of the romantic films she adores. When her loser fiancée of five years boots her out his apartment and life, and after an unfortunate incident with her Grandmother s underwear, Willie discovers a strength she never knew she had. Motivated to have her ex come crawling back on his hands and knees, she begins not only a physical self-transformation but also an emotional one. With the help of self-professed rascal and ladies man, Donovan Quinn and her best friend Stephanie Domenico, Willie soon discovers that getting her fiancée back is the last thing she wants and that, at the most unexpected time, dreams really do come true.
