The Almost Lizard (Paperback)

By James Higginson

Legend Press Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. With a combination of confession, humor, and regret, this story tackles modern mental illness and everyday manipulation in a media-obsessed society Today is Daniel Lizard s 21st birthday and he has just completed his autobiography. Now, he plans on killing himself, leaving behind possibly the longest suicide note ever committed to paper. Daniel creates soap operas in his head--a game that he plays on his paper route. Rather than a phase, this is just the beginning of a fantasy that becomes more and more elaborate as the people around Daniel become his unwitting costars. Daniel begins to realize that, in life, you cannot write all of the scripts, there is no one there to shout cut or hit rewind, and, inevitably, all manipulations have their repercussions.
