BETTER BOOK FUNNELS: HOW TO ENGAGE WITH YOUR READERS AND SELL MORE BOOKS! (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How are YOU engaging with your readers? Congratulations. You've finished your book! Go you. Now you're ready to hit publish and wait for the millions to roll in, a la 50 Shades of Grey. What's that you hear? Crickets? Doh! Writing your story is the easy part, publishing, launching and getting in front of your readers, your raving fans, that's the part that is tricky if you're not sure how to go about it. Engaging with your readers takes a bit of finesse, a sprinkle of magic and a lot of know-how and can-do mindset shifting. Figure that stuff out, and you're singing in the rain. But How? Let's show you by telling. Meet Joan. She's an indie author like yourself, writing for the love of writing, telling her stories and sharing her self-published novels with friends and family in the hopes that they'll share it with their friends and so on. Only it's not really panning out that way for her. For some reason, none of her close friends and family seem at all interested in her books! Joan is at a loss as to why this is, and is super frustrated with the lack of support she's getting. How on earth is she going to make her millions with such a lack of interest in her books?! The Solution: Does this story sound familiar? It sure does to us. Not only are Lise and Liz indie authors who have self-published books themselves, but Lise really struggled with engaging with her readers in the beginning. Crickets were definitely the norm after publishing a couple of books and she was more than...
