Springer-Verlag New York Inc., United States, 2014. Paperback. Book Condition: New. 2014 ed.. 228 x 154 mm. Language: English . Brand New Book. Often, information in review books can raise as many questions as it answers. This interferes with the study process, because the learner must either look up additional information or skip ahead without truly comprehending what he or she has read. As an alternative, Pediatric Cardiology and Pulmonology: A Practically Painless Review presents bite-size chunks of information that...
