Rounds Warm-ups for Choirs is more than just a wonderful collection of 130 choir exercises including 50 rounds. Michael Griffin, who has taught and consulted throughout the world, shares timeless wisdom to help you get your choir into shape. Will prove useful for almost everyone -Rhinegold Music Teacher Magazine. This is a great resource to add to one s library of rehearsal tricks. - Anacrusis, ACCC, Canada Bumblebee contains excellent new ideas and extensions on some of those well-known warm-ups that we all love to use. The rounds are invaluable in themselves, offering participants many opportunities to make beautiful music. I even use some of these vocal exercises with my tertiary drama students, as they encourage vocal health and illustrate how the vocal mechanism works. I would highly recommend this resource to anyone who cares about voices and loves to sing well! - S. Chapman, QLD This is really good stuff for all kinds of vocal groups, choirs, conductors. Bravo!! - Harrie Spronken, Netherlands. This is the thinking person s guide to training a choir! Love it. - Margaret May, Australia. It s great to have some fresh warm-ups to add to the repertory.
