She loves him. She loves him not. When Cassandra Porter was seven years old, she fell in love with her next door neighbor and her best friends brother. Cass loved that boy every single day.until he broke her heart and all that remained were the pieces. Five years and what feels like a lifetime apart, that boy-now a grown and sexy, warm blooded man-is thrust back into her life. He might make her temper flair and blood boil, but a few unresolved feelings are no match for the way her heart races when he is near. She drives him the good kind of crazy. Paxton Luke led his life with one thing on his mind: success. Friends and family come first, with no room for emotional attachments-not even with the neighbor girl, who s turned into a complete knockout. His sister s best friend. Emotions only lead to love, and love was trouble. They re determined to fight this undeniable attraction to the bitter end. It s too damn bad their hearts are about to get love drunk-- wasted on love.
