QUOTATIONS FROM CHAIRMAN TRUMP (HARDBACK)

Rosettabooks, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. As seen on Hardball with Chris Matthews on MSNBC President Donald J. Trump possesses a great sense of history and himself. A model statesman, he tweets every thought, and more. With one exception, he doesn't suffer fools lightly. Generations of schoolchildren will memorize these rubies of wisdom from President Trump. This little red book captures history on the fly: insights from the leader of the free world. Sample quotes: I'm, like, a really smart person. It has not been easy for me; and you know I started off in Brooklyn; my father gave me a small loan of a million dollars. The Bible means a lot to me, but I don't want to get into specifics. I will absolutely apologize sometime, hopefully in the distant future -- if I'm ever wrong. Everybody that's hit me so far has gone down. The wall will go up and Mexico will start behaving. I get along with everybody. I'll be the great unifier of all. While in politics it is often smart to send out false messages The President's words are preserved here?both as a public service and as a keepsake. Unfiltered. Unabridged. Unauthorized. Unbelievable.
