He knows the dates, facts, band members, lyrics, histories and places. He can join them in complicated webs of association because he knows the secret: everything s connected. Music s his escape into a better world. Oh man, he needs that escape. His dad s in prison, his psycho brother s only one step away, and they re twisting his melons trying to make him risk his freedom by smuggling drugs. It ain t easy saying no when family and their shady contacts can be bone-breakingly persuasive. Heaven knows he s miserable now. The summer sun does bring one ray of light: he secretly admires Samantha, a beautiful Welsh girl at work. Watching her is like listening to music, it strengthens him, she s his wonderwall of true faith. He s happy with that. Love is fool s gold. 2000 Tunes is a meditation on life, family, friends, growing up, and following your dreams.
