*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Our kind has hidden among yours for centuries peacefully. We are an evil of a kind for we are of neither side. We are your protectors, protectors from those of our kind who would like to kill you. Now they have found a way to kill us. As their queen, I have failed at my duty to find a cure to The Fallen s madness. I have made a choice, now I become human, to hide among you in hopes I may return to my kind with an answer. I do not want to do this but it is the only way. I must change to save our world and my kind.
