When Sara arrived on the beautiful spot, she immediately started to remove little bits of the moss. Until suddenly, she heard the sound of a purring cat. She looked around her, but did not see any cat at all. Ah, that was probably my imagination , she thought. And so she continued with what she was doing. But then she heard this purring sound again and a very soft voice. Sara could not imagine it anymore now. Somebody had to be nearby. But she could not see where the voice was coming from. Like so many other girls, Sara has one big dream: to have her own horse. However, this is not something that her parents can offer her. They cannot even pay for horse riding lessons. On the day that Sara finds out that her dream will never come true, she sadly walks into the forest. It is there that she meets someone very special, who gives her hints on how to use her thoughts to make her dreams come true. In this children s book, the principles of the Law of Attraction, positive thinking, visualisation, . are explained by means of a rather realistic story. Pleasant reading thanks to the beautiful drawings of Els Aerts. For kids from the age of 8 years old.
