

The Evolution Man, or, How I Ate My Father (Paperback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

Random House USA Inc, United States, 1994. Paperback. Condition: New. American ed.. Language: English . Brand New Book. Here is a typical Stone Age family, reimagined by Roy Lewis in this hilarious novel as characters in some glittering drawing-room comedy. Father, who has a scientific turn of mind, has just discovered fire. Mother makes sure the children finish supper, even when the plat du jour is toad. Uncle Vanya thinks that the species has been flirting with disaster ever since it began to chip flint into tools. While little Alexander has gotten himself in deep trouble by making the first cave painting; artists are always so misunderstood. Long out of print, *The Evolution Man* would make Charles Darwin turn over in his grave. Lewis has written awitty, intelligent satire of the lives of our remote ancestors, complete with highly revisionist accounts of everything from the origins of courtship to the staples of Pleistocene cuisine. It s the funniest thing to happen to prehistory since Raquel Welch donned a fur bikini in *One Million B.C.*
