SIMON SCHUSTER, United States, 2016. Paperback. Condition: New. Reissue ed.. Language: English . Brand New Book. The groundbreaking novel from critically acclaimed author Ellen Wittlinger that tells the story of a transgender teen s search for identity and acceptance has now been updated to include current terminology and an updated list of resources. Angela Katz-McNair never felt quite right as a girl. So she cuts her hair short, purchases some men s clothes and chose a new name: Grady. While coming out as transgender feels right to Grady, he isn t prepared for the reactions of his friends and family. Why can t they accept that Grady is just being himself? Grady s life is miserable until he finds friends in unexpected places-the school geek, Sebastian, who tells Grady that there is a precedent for transgenders in the natural world, and Kita, a senior, who might just be Grady s first love. In a voice tinged with humor and sadness, Ellen Wittlinger explores Grady s struggles-universal struggles any teen can relate to.
