CADMOS Publishing Limited, United Kingdom, 2011. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Many horse owners dream of having a foal from their own mare. However, irrespective of the delights associated with this experience, the pregnancy of the mare and the growth of the foal demand a high degree of care, patience and knowledge. This practical manual provides a comprehensive guide on the subjects of breeding, feeding and husbandry of a mare and foal for the private horse owner. The reader will find all the necessary information about covering the mare, correct feeding during the late pregnancy and lactating period, the birth of the foal as well as the appropriate care of the foal. The author studied agricultural sciences with an emphasis on animal breeding and husbandry in Germany. She herself has owned horses for more than 20 years and underwent training to become a hoof specialist as a secondary career. \* A practical illustrated introduction to horse breeding for absolute beginners.
