Createspace. Paperback. Condition: New. This item is printed on demand. 348 pages. Award winning book (finalist) in 2014 Beverley Hills International Book Awards Jenny Hayworth grew up within the construct of the Jehovahs Witnesses, which she describes as a fundamentalist cult-like religion. She devoted her life to it for over thirty years. Then she left it. The church unfellowshipped her-rendering her dead to those family and friends still committed to the church. Hayworth is a sexual abuse survivor. The trauma changed her self-perception, emotional development, trust, and every interaction with the world. InsideOutside is her exploration of sexual abuse, religious fundamentalism, and recovery. Her childhood circumstances and tragedies forced her to live inside. This memoir chronicles her journey from experiencing comfort and emotional satisfaction only within her fantasy world to developing the ability to feel and express real life emotion on the outside. It is a story that begins with tragic multigenerational abuse, within an oppressive society, and ends with hope and rebirth into a life where she experiences real connections and satisfaction with the outside world. Those who have ever felt trapped by trauma or circumstances will find InsideOutside a dramatic reassurance that they are not alone in the world, and they have the ability to have a fulfilling life, both inside and out.
