KING HENRY IV (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. About four hundred years ago there was a small kingdom, spreading over the cliffs and ravines of the eastern extremity of the Pyrenees, called Navarre. Its population, of about five hundred thousand, consisted of a very simple, frugal, and industrious people. Those who lived upon the shore washed by the stormy waves of the Bay of Biscay gratified their love of excitement and of adventure by braving the perils of the sea. Those who lived in the solitude of the interior, on the sunny slopes of the mountains, or by the streams which meandered through the verdant valleys, fed their flocks, and harvested their grain, and pressed rich wine from the grapes of their vineyards, in the enjoyment of the most pleasant duties of rural life. Proud of their independence, they were ever ready to grasp arms to repel foreign aggression. The throne of this kingdom was, at the time of which we speak, occupied by Catharine de Foix. She was a widow, and all her hopes and affections were centred in her son Henry, an ardent and impetuous boy six or seven years of age, who was to receive the crown when it should fall from her brow, and transmit to posterity their ancestral honors.
