ONE PINK LINE (PAPERBACK)

Amazon Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Can the love of a lifetime be forever changed by one pink line? With heart, humor, and compassion, Dina Silver's debut novel of love, loss, and family is certain to stir anyone who relishes a good laugh, can stand a good cry, and, above all, believes in the redemptive power of love. This unique, modern story gives listeners a dual perspective. Sydney, a sweet-tempered, strong-natured college senior, is young, in love with an exceptional man, and unexpectedly pregnant. Faced with a child she never planned for, she is forced to relay this news to her neurotic mother, relinquish her youth, and risk losing the love of her life. Then there's Grace, her daughter, who believes she is a product of this great love, but grows to realize her existence is not what she assumed and is left with profound and puzzling questions about who she really is. Spanning generations and every imaginable emotion, One Pink Line reveals how two points of view can be dramatically at odds. Simultaneously deeply felt and lighthearted, it deftly mines how the choices we make can alter so many lives, and how doing the right thing can bring unexpected, hard-won happiness. It's a must-listen for anyone who relishes a great love story, absorbing characters, and plenty of laughs along the way.
