AMHERST MEDIA, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. The iPhone is revolutionizing photography. Never before has a camera been so portable yet powerful, so versatile and ubiquitous. Yet, as this book shows, this amazing device has untapped potential for taking jaw-droppingly detailed, sharp, professional-quality images. In this book, commercial photographer Robert Morrissey investigates the photographic capabilities of the iPhone, right out of the box, then moves to advanced uses that will surprise even seasoned photographers. Starting with the basics, Morrissey teaches readers critical strategies for taking great pictures--from how to properly hold your phone, to how and why to use the flash. You ll learn simple ideas for improving your photos--from crafting a strong composition to posing subjects for flattering results. Next, you ll learn to use the iPhone s panoramic and HDR features to take your imaging to the next level. You ll also get some great insights into how to photograph action, scenes with non-average tones, landscapes, and much more--with natural light and flash.
