

Spiritual Warfare Educational Strategy

By Lyricist Bob Poet Author McGlothlin

Lulu.com, United States, 2017. Pamphlet. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The SPIRITUAL WARFARE EDUCATIONAL STRATEGY was created using different activities that were already working to help educate children in this age group at the church that I was attending. All I did was design a program that consolidated these activities into a predictable rotating program that provides variety with an element of suspense to keep the children coming back from week to week.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).

-- Dr. Everett Dicki DDS
