Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

Complex Hegemony in the 21st Century: power and inequality Conclusion : Review: Youngs is the Susan Strange for the new century. Craig N. Murphy, Wellesley College, USA: Youngs merges expertise in media, communications and global political economy to produce one of the most informed, insightful and accessible accounts to date of power and inequality in the Information Age. With a wealth of knowledge and a gentle hand, Youngs puts us on alert, spurs critical thinking, and points us forward. This fresh, engaging account deserves the widest possible audience. Spike Peterson, University of Arizona, USA: In this original and timely contribution, Gillian Youngs offers new insights into the increasingly complex, mediated sphere of the global political economy. In the process she challenges us rethink the nature and forms of contemporary global power and inequalities. John Tomlinson, Nottingham Trent University, UK : "Youngs's book is immensely ambitious, covering huge areas in order to embed a discussion of technology within major economic and political shifts in international relations. In her discussions she goes to the heart of ongoing tensions within the technological determinism of our modern information society, deconstructing the human-technology interface (with some discussion of genetics and nanotechnologies [45]). In looking at power and inequality, she brings together a diverse set of literature, from feminist critiques of the economy, gender and...
