The Peace Machine Press LLC. Paperback. Book Condition: New. Paperback. 314 pages. Dimensions: 9.0in. x 6.0in. x 1.4in. Your journey goes beyond an exploration of human brain evolution and our experience on planet Earth. You will discover how our economy really works, and read the Revelations detailed explanation as to the origins of the Universe. These origins are all containedrevealed from mathematical concepts and principles, brought to us (humanity) for interpretation in the form of colorful 3 dimensional images, gas clouds actually. None of this contradicts the scientific principles of Newton, Einstein, the Uncertainty Principle, Chaos Theory, or the String Theory. In fact, for the physics inclined reader, it ties these theories...
