In our lives at some point of time we may come across certain situations which may take our peace of mind in order to move ahead or get rid of that rut. This all happens due to our past Karmic influences. As a human beings in spite of all efforts, we struck there and helplessly looking for someone to lend their hand to come out of it. But very few people come to us at that point of time to help us and many times we need to undergo severe pains and sufferings to move forward. Here comes the astrology the divine cosmic science which helps us to read and understand our karmic structure through the natal horoscope chart. In order to understand our karma either we need to go to an astrologer or one has to learn by themselves to read the chart. The future predicted by the astrologer may come true or not depending on several factors of your birth details and knowledge of the astrologer. So for those who want to analyze their chart by self-learning is very helpful. But astrology is not an easy science to learn for a novice without some support. Again, finding a person and taking the course is tedious because of professional and family issues. Here comes the role of good books which helps you to learn it easily. Hence, for those in need of it, this basic book has been written with maximum care, so that you can read any advanced book after going through this. The book covers the essential fundamental concepts which are required to understand your astrological chart. The science is itself is a big ocean to...
