Tobin Blake, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jason had been dating author Tobin Blake s daughter for two years when, days after his eighteenth birthday, he was diagnosed with an aggressive form of lymphoma. Within months, several rounds of chemotherapy had failed and his physicians determined that Jason -- now on a ventilator in the ICU -- would not survive the widespread disease. But he did survive and, four years later, is cancer-free. This suspenseful narrative explores the anatomy of a miracle -- how Jason survived and how all of us can heal physical and mental illnesses through spiritual awakening. Jason s path illustrates that with love, all things can be healed, hope is always justified, and nothing is impossible -- no matter what the doctors tell you.
