BOOK OF MIKA EL: SCALES OF RECOMPENSE

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.In 5770, the current incarnation of the archangel Mika el was given the book of remembrance after he began the vow of Nazir and changed his life from the subjugation of this world. While the sacred road is lonely, Mika el understood how difficult it would be to get through to a generation lost within this prison of darkness. As the writer and sage of history, this suffering spirit is left alone to change the outcome of the sacred garden. Until the heavens are opened and righteousness reigns, Mika el must stand up for the little ones of our living God. The Book of Mika el: Scales of Recompense is more than just another journey by author Mark F. Kalita into the history of religious antiquities, it is a compilation of the complete teachings of Mika el. But, more than just teachings, it is also a prophetic journey into spirituality and our understanding of God within existence. The Book of Mika el: Scales of Recompense signals the end of spiritual grace. With the true knowledge revealed, Mika el knows that the dragon of egotism will be put down eternally. For this has been the journey of Mika el, to bring all children of the living God back to the garden of delight. Through the Book of Mika el: Scales of Recompense, Mika el reveals the pillars holding up the scales of recompense and how join him in the attempt to loose the seals on the Tree of Life . This is the third time, in the continuing story of the ancient peoples, that the Tree of Life will be loosed. The first two times the heavens opened and...
