Lone Pine Pride, Book 2 Wilderness guide and cougar-shifter Patricia Patch Fontaine has known the dangers of lone-shifter life since she was ten, when her parents mysteriously vanished. All grown up now, she thrives on her hard-won independence. When rumors of a new rash of shifter abductions crop up, she s forced to come home to the Lone Pine Pride for protection-right as the man she s always secretly wanted is about to marry her best friend. And right as she s going into heat. Roman Jaeger values his role as Alpha heir apparent, but he isn t thrilled about his arranged marriage to the Alpha s daughter-especially when his bride is just as nonplussed as he is-but he ll do his duty for the pride. Seeing Patch again challenges his noblest intentions. The wildness in her sets him on fire, and he can t resist the chance for one last fling. Both know a future together is impossible. But when chemistry and sowing wild oats grows into a need deeper than lust, their bond could threaten the very heart of the pride they both love. Warning: This book contains a strong sexy Alpha-to-be, an independent cougar-shifter who knows her way around a lion s heart, secret affairs, arranged marriages, politics, passion, and a pride full of lions and tigers and bears. Oh my.
