I anticipated the earth would quake when He wanted to get my attention. You know, a burning bush experience. Instead, I find He loves to whisper to me in the quiet stillness of the early morning hours when it s just the two of us. Whether you are in a season of great success or a season of great struggle, you need to be encouraged from time to time. These specially selected verses from my time with Him are designed to speak to the heart and uplift the soul. Read them thoughtfully, cover to cover, or allow a title to catch your eye and ignite your curiosity. Either way, I pray you will allow His Words to touch you as only He can when He whispers!.
