CLINICAL TOPICS IN ADDICTION (PAPERBACK)

RCPsych Publications, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. Addiction to psychoactive substances can lead to a range of biological, psychological and social problems, and the clinical management of these issues can often be complex. This book brings together papers from the popular journal Advances in Psychiatric Treatment, which have been updated to give systematic, authoritative and well-referenced accounts of over twenty key clinical topics relating to substance misuse. It is written by practitioners with...
