Brand New Book ***** Print on Demand *****.It was late on a winter evening when our hero, William Osten, arrived in England, in company with his two friends and former messmates, Bunco and Larry O Hale. When a youth returns to his native land, after a long absence which commenced with his running away to sea, he may perhaps experience some anxieties on nearing the old home; but our hero was not thus troubled, because, his father having died during his absence, and his mother having always been tender-hearted and forgiving, he felt sure of a warm reception. Our hero was so anxious to see his mother, that he resolved to travel by the night-coach to his native town of B-, leaving his companions to follow by the mail in the morning. Railways, although in use throughout the country, had not at that time cut their way to the town of B-. Travellers who undertook to visit that part of the land did so with feelings somewhat akin to those of discoverers about to set out on a distant voyage. They laid in a stock of provisions for the journey, and provided great supply of wraps for all weathers. When Will Osten reached the coach-office, he found that all the inside places were taken. You ll have to go aloft, sir, said the coachman, a stout and somewhat facetiously inclined individual, who, observing something of the sailor in Will s costume and gait, suited his language to his supposed character; there s only one berth left vacant, on the fogs l longside o myself.
