Random House USA Inc, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Whether or not you believe in fate or reading the stars, if you believe in happiness and love to laugh, read Summer of Supernovas. --Jay Asher, #1 New York Times bestselling author of Thirteen Reasons Why Fans of Jennifer E. Smith and Jenny Han will fall in love with this heartfelt and humor-laced debut following one zodiac-obsessed teen as she struggles to find the guy of her cosmic dreams. As the daughter of an expert astrologer, Wilamena Carlisle knows that truth lies within the stars. So when she discovers a planetary alignment that won't repeat for a decade, she's forced to tackle her greatest astrological fear: The Fifth House--relationships and love. But Wil must decide whether to trust her heart or her chart when she falls for a sensitive guitar player whose zodiac sign points to cosmic disaster. If Wil's fate is truly written in the stars, then this summer is about to go supernova. . . .
