Soap making is a fun and rewarding hobby that you can also turn into a business once you have successfully made your first batch of soap. In this book, you will get to know the different ingredients, tools and processes on how to create soap. Soon you will get to know the basic steps on how to process soap. There are mainly two basic processes, the Hot Process and Cold Process. But before moving on to these two, let s first discuss a very useful online tool that you can use in formulating the perfect soap recipes. Soap making is a fun filled activity that anyone can enjoy. The sense of accomplishment in producing something that is useful in everyday life can build one s self confidence and self esteem. You can even add a personal touch in the soaps that you will make by adding some of your favorite oils and scents. Natural soap has a greater advantage in terms of skin moisturizing than commercially manufactured soaps because of the ingredient glycerine that will be left in the soap. In commercially manufactured soaps, glycerine is filtered out of the soap and sold as a different product. Glycerine is an ingredient that is responsible for retaining water in...
