THE MYSTERY OF THE CRUCIFIXION: JESUS LAST DAYS IN THE QUR AN, THE BIBLE, AND HISTORICAL SOURCES

Luna Plena Publishing, United Kingdom, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Numerous books and articles have been published about the crucifixion. Western studies have focused on the Christian narratives and historical sources, but most of them have completely ignored the Qur an, which denies that Jesus was crucified. Muslim scholars have also studied the Qur an s account but mostly in exegetical works that focused on the Qur an s version of the story, with some comparative references to the Gospel narratives but almost no consideration of historical sources. This book takes a new approach by considering the crucifixion in the Qur an, Christian writings, and early historical sources. It discusses the serious flaws in the Gospel accounts and the unreliability of the few non-scriptural sources. The book also challenges common modern alternative readings of the history of that event. One new contribution that this study makes to the literature of the crucifixion is its new interpretation of all related Qur anic verses. It also contributes a coherence explanation of the development of the fictitious story of the crucifixion of Jesus. The theology of the cross that Paul developed is also examined. The book shows that the doctrine of the atonement conflicts with the Gospel teachings and is refuted in the Qur an. Detailed, yet easy-to-read and highly enjoyable, this book is intended for both the general reader and the expert. This thought-provoking study is for anyone interested in the crucifixion in the Qur an, New Testament, and historical sources. Those interested in comparative studies of the Qur an and the Bible will find this book highly informative. No specialist knowledge is required for reading the book.
