The federal government has imposed its unrestricted authority upon every corner of the Republic. As a result, an American treasure has become a political institution. The government is running the country s most beloved theme park. Fireworks! If the Government Ran the Fairest Kingdom of Them All (A Very Unauthorized Fantasy) is a spellbinding 2030 tour of this California landmark. A look at the future caps off the tour with a utopian model that redefines what lies ahead. Those visions are ominous. But the American People may have their own plans by...
