Brand New Book ***** Print on Demand *****.A question often asked by those who deal with psychological problems is: What is normal? The answer to that seemingly simple question will probably never be answered. The people within a particular society usually are well-aware of what is considered acceptable behavior for them. And therein lies the problem of the main character of this novel. Linda is a woman possessed of deep and abiding passions, passions which control her life and lead her to overstep the bounds of acceptable societal behavior time and time again. In her search for physical satisfaction, the fiery blonde is helplessly driven to take her pleasure where she can, risking everything for the promise of gratification. LINDA IN BONDAGE - the story of one woman tormented by her needs and the fear that she is abnormal. Her tale is a lesson to our society, and food for serious thought.
