

Gelli Printing (Paperback)

By Suzanne McNeill

Design Originals, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. This title features 32 original projects for printing with revolutionary Gelli plates. It is the first book on this emerging craft trend. It is a cleaner, durable alternative to a press. Discover the amazing Gelli plate; a revolutionary printing surface that makes it easy to produce beautiful, one-of-a-kind artwork with amazing colours and textures. This book shows how to use gelatine printing to create stunning layered prints, pages for art journals, fabric for quilting, greeting cards and much more. Gelli printing is the perfect medium for beginners and experts alike, plus there s no need for an expensive or bulky press. Durable and reusable, Gelli plates are easy to clean with water, so you can quickly change paint colours and move on to your next project. Wonderful results can be obtained quickly, and simple variations give each print its own unique personality. Gelli Printing gives you all the basic information you need on supplies, how to get started, and the best techniques for making colourful backgrounds, textured pages, multiple layers and basic borders. Get inspired to create your own Gelli masterpieces with 32 original projects. You...
