OLD LIFE: A DAUGHTER S JOURNEY DEALING WITH SUDDEN LOSS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When a seemingly healthy 61 year old mother and grandmother suddenly dies, her daughter s life is irreversibly changed. This story gives an uncensored view into the struggles of a daughter and her family as they grieve and search for the medical reasons as to how someone so full of life, could just die. The author shares her very personal experiences with loneliness, the difficulties of grieving in unconventional ways, and the unexpected challenges of trying to settle an estate during the peak of the Great Recession. After eight years of living in a world without parents, the daughter offers a very heartfelt view of what her mother s life may have been like, had there been some kind of warning that something tragic was about to happen. This book is a helpful resource to anyone who is grieving the death of a parent or coping with the loss of someone you love.
