THE ADOPTION AND USE OF INFORMATION AND COMMUNICATION TECHNOLOGY

The Adoption and Use of
Information and
Communication Technology
(ICT) in Selected Manufacturing Industries in Ibadan

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | (ICT) in Selected Manufacturing Industries in Ibadan | The continuous development of technology from a simple stage to a complex one, for example, the Information and Communications Technology (ICT) in organizations or industries is to make work simpler for man and to increase production and efficiency (Hall, 1977). Existing literature continues to present the manufacturing sector as a major one in the society that contributes immensely to economic growth and development. The...

Reviews

This sort of book is every little thing and got me to searching ahead and a lot more. This can be for all those who statte there was not a well worth reading through. I am just easily could possibly get a delight of reading through a published pdf.

-- **Floy Rolfson**

An incredibly great ebook with perfect and lucid answers. It really is rally exciting through studying time period. You wont feel monotony at at any time of the time (that's what catalogs are for relating to when you question me).
