

## Theory of Irony: How Jesus Led to Moon Golf (Paperback)

Filesize: 5 MB

### ***Reviews***

*Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.*

*(Bernardo Feeney Jr.)*

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ever wonder why so much makes no sense? Why is there an inverse proportion between the size of the print and the importance of the message? Why do washed-up actors and athletes end up as Governors and Congressmen? Why do they pay out millions of tax dollars for anti-smoking campaigns, and to farmers to grow more tobacco? Why did Missouri send thousands of men to fight on opposite sides at the Battle of Vicksburg? Why was it that Pope John XII died while making love with a married woman? Why can't we separate art from obscenity and why, oh why, do armies destroy towns to save them? Erik Von Norden (writing under a pen name) processes the world with an odd, well-caffeinated kind of logic and answers in an eccentric, corkscrewed sort of way. Always funny, sometimes scholarly and no sacred cows. He calls this eccentric thinking the Theory of Irony.
