

Beautiful Architecture

Filesize: 6.79 MB

Reviews

It is one of the best publications. It is really very intriguing throughout reading through periods of time. You will not feel monotony at any time of your own time (that's what catalogs are for relating to in the event you request me).

(Dr. Pat Hegmann)

O'Reilly Media. Paperback. Book Condition: New. Paperback. 430 pages. Dimensions: 9.1in. x 7.1in. x 1.3in. What are the ingredients of robust, elegant, flexible, and maintainable software architecture? Beautiful Architecture answers this question through a collection of intriguing essays from more than a dozen of today's leading software designers and architects. In each essay, contributors present a notable software architecture, and analyze what makes it innovative and ideal for its purpose. Some of the engineers in this book reveal how they developed a specific project, including decisions they faced and tradeoffs they made. Others take a step back to investigate how certain architectural aspects have influenced computing as a whole. With this book, you'll discover: How Facebook's architecture is the basis for a data-centric application ecosystem; The effect of Xens well-designed architecture on the way operating systems evolve; How community processes within the KDE project help software architectures evolve from rough sketches to beautiful systems; How creeping featurism has helped GNU Emacs gain unanticipated functionality; The magic behind the Jikes RVM self-optimizable, self-hosting runtime; Design choices and building blocks that made Tandem the choice platform in high-availability environments for over two decades; Differences and similarities between object-oriented and functional architectural views; How architectures can affect the software's evolution and the developers' engagement; Go behind the scenes to learn what it takes to design elegant software architecture, and how it can shape the way you approach your own projects, with Beautiful Architecture. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
