Most will turn to conventional medicine to at least treat if not cure them. But what happens when those methods don't work? In fact, instead of getting better, they get worse. This is what happened to author Rachael White and her family. In her book, **I AM a Soul Champion: How to live a spiritually guided life through Manifestation, Intuition, Positivity and Archangel Aromatherapy** she provides an account of her extraordinary life changing journey to heal her family's so-called incurable illnesses. She shares the knowledge and wisdom she gained after she opened up to living a spiritually guided life. **I AM a Soul Champion** is a practical guide for using intuition, healing and manifesting along with archangel aromatherapy. The author has distilled the information into a combination of healing guides, teachings and easy-to-use daily practices and rituals. A soul champion is someone who understands that he or she is more than just mind and body. Rachael believes that everyone has the ability to access healing and guidance from angels and spiritual guides in order to heal, co-create, and manifest in every aspect of life. Are you ready to let go of ego-driven fear, negativity, mental and physical illness out of the driver's seat and let the soul be the champion driver of your life?.
