How sweet your words taste to me; they are sweeter than honey (Psalm 119:103). Greetings from Montana! I m Christy Bower and I want to help you find creative ways to engage and enjoy the Bible. The Bible doesn t have to be a boring book. Anyone can engage the Bible in meaningful ways. The methods that resonate with you may not be the same methods someone else might prefer. Each of us prefers either left-brained logical methods or right-brained creative methods. Generally, those who teach the Bible emphasize how to study the Bible using systematic methods. That can be a real yawn for folks who want to dabble, create, and discover meaning. In Sweeter Than Chocolate, you will learn: how and when to read the Bible using a freestyle Bible reading guide how to study the Biblehow to practice BIBLICAL meditationhow to understand the major story arc of the Bible in a quick Bible history overviewThe Living Word will change your life if you let it. Let s indulge ourselves because, unlike chocolate, there s no such thing as overindulging in God s Word.
