## THE WINTER SUN SHINES IN: A LIFE OF MASAOKA SHIKI

[DOWNLOAD PDF](#)

Columbia University Press, United States, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. Rather than resist the vast social and cultural changes sweeping Japan in the nineteenth century, the poet Masaoka Shiki (1867-1902) instead incorporated new Western influences into his country's native haiku and tanka verse. By reinvigorating these traditional forms, Shiki released them from outdated conventions and made them more responsive to newer trends in artistic expression. Altogether, his reforms made the haiku Japan's most influential modern cultural export. Using extensive readings of Shiki's own writings and accounts of the poet by his contemporaries and family, Donald Keene charts Shiki's revolutionary (and often contradictory) experiments with haiku and tanka, a dynamic process that made the survival of these traditional genres possible in a globalizing world. Keene particularly highlights random incidents and encounters in his impressionistic portrait of this tragically young life, moments that elicited significant shifts and discoveries in Shiki's work. The push and pull of a profoundly changing society is vividly felt in Keene's narrative, which also includes sharp observations of other recognizable characters, such as the famous novelist and critic Natsume Soseki. In addition, Keene reflects on his own personal relationship with Shiki's work, further developing the nuanced, deeply felt dimensions of its power.
