Decisive Moments in History: The Space Race (Paperback)

By Charles River Editors

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.*Includes over 30 pictures of important people, places, and events, including Sputnik, Apollo 11, the Moon, Mars, Viking 1, and more. In the 19th century, the Scottish writer Thomas Carlyle famously wrote, The history of the world is but the biography of great men, popularizing the Great Man theory that the course of history is shaped by a select few heroic individuals. While historians and others continue to debate the accuracy of the Great Man theory of history, there is no question that the course of history is permanently altered by decisive moments in time, where a different result would have produced drastically different outcomes. Charles River Editors Decisive Moments in History examines the events that changed history forever and set the world down the path it finds itself on today. Today the Space Race is widely viewed poignantly and fondly as a race to the Moon that culminated with Apollo 11 winning the Race for the United States. In fact, it encompassed a much broader range of competition between the Soviet Union and the United States that affected everything...
