By Lori Ann Stephens

Black Rose Writing, 2018. Paperback. Condition: New. Trevor Yokochi (illustrator). First Printing ed.. Language: English . Brand New Book ***** Print on Demand *****. Ten-year-old Pierre François--otherwise known as Pierre the Fantastic Flying Fish and Pierre the Genius Brain--is an expert at signing his school papers with original names. He is also good at extolling the greatness of France, using weird words like extolling, dissecting owl vomit, and avoiding The Stinky Chair in math class. What he is not good at is a foolproof bladder. Accidents happen, although this is Top Secret information. So when it is time for the entire fifth grade to go to Adventure Camp, a two-night trip in the wilderness, Pierre would rather complain about the fifth grade meanies, dream of mastering the spelling bee with Jedi skills, and devise ways to meet the fascinating new girl in school. But Adventure Camp is coming for him, along with a wet and icy cold front. Can Pierre muster all his courage and wit to survive nature's onslaught of ice, rain, and other liquid fiascos?
