Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

INSURRECTION V3.6 (PAPERBACK)

Boom Town, 2011. Paperback. Condition: New. Original.. Language: English . Brand New Book. Spartacus meets Star Wars in this hard hitting action sci-fi epic. An unforgettable new sci-fi epic that asks the question: what makes us human? Enter the future where pollution, poverty, and armed conflict have been obliterated. Only off-world on the terra-formed moons of distant planets does war still exist. Corporations command more power than governments and when they go to war, they use their own military force -- armies composed of bio-engineered clones. For generations, these clones have not questioned why they live and die while their makers risk nothing. But now, one of their own will stand up against injustice, sparking a revolution that will change the entire galaxy, igniting INSURRECTION!.
